

## APPLICATION FOR ADVANCEMENT TO MASTER FACULTY

I, \_\_\_\_\_, wish to be considered for advancement to the level of Master Faculty. I have fulfilled the requirements and expectations as detailed below.

I have fulfilled the responsibilities and expectations for being a member of the IF.

Yes No

I have served as a member of the IFP for a minimum of ten consecutive years.

Yes No

I am submitting documentation of 10 teaching/coaching/educational sessions within the last three years. These sessions must be outside of the applicant's own chorus but may be within or outside of her region.

Activity report form may be found in my file at International HQ. YES NO

At least two of these ten activities must be assignments of "international scope". This could include articles, vodcasts or podcasts. Although it is not necessary to demonstrate the ability to teach musical, visual, and administrative content, showcasing a range of expertise would enhance an application for Master Faculty.

List and describe these two assignments here:

1.

2.

I am submitting an approved project of international scope, e.g. an online course, an educational DVD, or a series of published articles of which the final project will belong to the organization for use at its discretion.

Submit and describe here:

Please acknowledge that you have read the Volunteer Code of Conduct included in the International Faculty Handbook available on the website at:
